KEEP A PAPER DRAW WITH ALL RESULTS. Official results should still be recorded on a paper draw.

Go to Scoring

Connect to the internet.

In your browser, go to: www.platformtennisonline.org

If your tournament does not appear right away, click Tournaments on the menu bar and select yours.

You can use any device, but for inputting a lot of scores it's easiest on a PC or tablet.

Sign In using the button on the menu bar

We will send you the login id and password for your tournament.

Practicing – Before the tournament, use this sign in and tournament to practice

ID (lower case): practice

Password: 123hut

You should now be in the PRACTICE Event.

You can do whatever you wish in the practice event.

Go to a Bracket

You can edit scores wherever brackets appear – rounds, full draws, finals, players, locations.

You will see a gray Result button below the bracket.

Entering Scores

Click the Result button to get an edit area.

Click on the winner, enter the score, and Save.

The winner will be advanced to the next round and the loser will be sent to the back draw, if there is one for this bracket.

“Loser will not continue” checkbox: If there is a back draw for this bracket, and the loser is out of the tournament (such as injured), check this box. The line on the back draw will show “(opponent did not continue)”.

Edesses - Martin

(not reported)

Rose - Rose

Score:

Loser will not continue

Making a Correction or Change

Click the Result button, make your change and Save.

If a change affects more than one round, start at the earliest instance and adjust each bracket affected.

Disappearing Result Buttons

If your Result button disappears, it's because your sign-in timed out. Sign in again.

That's it!
